# Eight things to do between parties.

Our list after three summers of research. Swim, walk, eat, repeat. Everything is a short walk or a short boat from the hotel.

This is a sample PDF that ships with the Riviera theme so the download card has something to open. Replace it with your own guide in the editor.

## Swim

**Spiaggia Grande.** The main beach, where the boats land. Loungers from €25; the free end is by the pier.

**Fornillo beach.** Quieter, and five minutes from Sunday lunch. Go before 10:00.

**Laurito bay.** A little boat leaves the main pier every half hour. Lunch on the rocks.

## Walk

**Path of the Gods.** Bus to Bomerano, then three hours of cliff path down to Nocelle. Start early.

**Montepertuso steps.** 1,700 steps up to the village with the hole in the mountain. Bus back down.

## See

**Santa Maria Assunta.** The tiled dome from every photo. Open mornings, free, shoulders covered.

## Eat

**Granita on Via dei Mulini.** Lemon, from the cart by the piazza where the minibuses leave.

**Fried anchovies in Fornillo.** The beach shacks do a paper cone for €8. Our Sunday warm-up.

“Do the Path of the Gods on Friday morning, swim on Saturday, and leave Sunday for anchovies. Love, S & M”
